

ACF BEEHIVE STATE CHEFS CHAPTER

Culinarian's Code

I pledge my professional knowledge and skill to the advancement of our profession and to pass it on to those who are to follow.

I shall foster a spirit of courteous consideration and fraternal cooperation within our profession.

I shall place honor and the standing of our profession before personal advancement. I shall not use unfair means to effect my professional advancement or to injure the chances of another colleague to secure and hold employment.

I shall be fair, courteous and considerate in my dealings with fellow colleagues.

I shall never expect anyone to subject themselves to risks, which I would not be willing to assume myself.

I shall help to protect all members against one another from within our profession. I shall be just and enthusiastic about the success of others, as I am about my own. I shall be too big for worry, too noble for anger, too strong for fear and too happy to permit pressure of business to hurt anyone without the profession.
