
Check Out the junior Tab

Posted by Chris Muck - 2008/01/26 23:07

Hey All,

I have been working on the junior Section of the Web page in my capacity as Junior Comm Dawg, aka communications chair. Let me know what you think, where you wold like to see changes, all that. If you have ideas or need to post something that is important enough to be seen by all let me know.
